

Adam's Needle Yucca

Yucca Filamentosa

- ❁ Develops a dense rosette of dark green leaves with a distinctive blue cast. Evergreen.
- ❁ Huge flower spikes rise from the centre of the plant bearing individual bell shaped creamy white blooms that dangle from the stem like earrings.
- ❁ Tolerates extremely dry and poor. Great for low maintenance, drought resistant landscaping conditions

Height: 2-3 Feet

Zone: 4

Full Sun

Butterflies

Low Maintenance
