

# Clematis 'Bees Jubilee'

- ❁ Bees Jubilee features a stunning combination of mauve pink petals with a dark carmine-red bar that doesn't fade! Buds open to 6" flowers in May-June on old wood and it blooms again in September on the current seasons growth
- ❁ A light pruning in late winter\early spring will help produce a well balanced plant. Any weak or dead wood should be removed at this time

**Height: 6 - 10 Feet**

**Zone: 4**
