

'Hello Spring' Feather Reed Grass

Calamagrostis x 'Hello Spring'

❁ Compact variety of feather reed grass with crisp green and white striping and a narrow habit which holds form and colour well. White flower heads turn to pink and are followed by tan seed heads. Fast growing and very hardy

❁ Feather reed grasses are attractive clump forming grasses which are very upright in nature. They have showy summer plumes and wonderful winter seed heads. This cool season grass is one of the earliest ornamental grasses to come up in the spring
