

# Clematis 'Irene'

- ☼ Compact grower only reaching a height of 4-6 feet with large rose pink flowers with extremely large stamens. Blooms from spring through summer, could also be used as a container plant
- ☼ Plants should be cut back in early spring to two strong sets of buds on each stem as close to ground level as possible. This will provide a plant with blooms that start near ground level and continue to the top

**Height: 4-6 Feet**

**Zone: 4**

**To help you identify the different varieties of Clematis we write a code on the side of the pot. The code for Irene Clematis is I**
