

# Brunnera Sea Heart

*Brunnera Macrophylla 'Sea Heart'*

- ❁ A superb introduction, forming a clump of thick, heart-shaped medium-green leaves, marbled and frosted with an intricate pattern of silver with green edging and veining. An improved 'Jack Frost'. Foliage has greater substance and is more heat tolerant. Sprays of delicate sky-blue flowers provide added color in spring. Easy-to-grow perennial that performs well in all but the driest of shady conditions
- ❁ Provided there is sufficient moisture, plants can tolerate full sun; as the leaves are so thick, little or no scorching occurs

**Height: 15 Inches**

**Zone: 3**

Full Sun

Full Shade

Vigorous

Deer

Moist, Well-Drained

To help you identify the different varieties of Brunnera we write a code on the side of the pot. The code for Sea Heart Brunnera is SE
