

Ajuga Black Scallop

Ajuga x 'Black Scallop'

- ❁ Forms a dense, weed suppressing mat with fantastic glossy, near-black, scalloped leaves and a dense habit. The deepest foliage color is achieved when plants are sited in full sun. Short spikes of blue flowers stand above the low spreading foliage
- ❁ Very hardy and easily grown in average conditions, especially in shade where it is difficult to establish grass. Stunning when planted en masse

Height: 6 Inches

Zone: 3
