

'Rainbow' Drooping Leucothoe

Leucothoe fontanesiana 'Rainbow'

- ❁ Living up to its name 'Rainbow' celebrates a carousel of colour: pinkish copper-hued new growth, rosy red stems and long ever-green leaves that are irregularly speckled in cream, green and ivory.
- ❁ White bell shaped flowers appear in mid spring
- ❁ Tolerant of shade and requires acid soil

Height: 4-5 Feet

Zone: 5
