

Everglow Japanese Sedge

Carex Oshimensis 'Everglow'

- ❁ This selection from the Evercolor® series forms a low cascading clump of leathery dark green leaves, with orange margins from early fall into winter that fade to creamy white in spring. A choice plant for edging, or in the rock garden. It is easy to grow, low maintenance and forms a neat easily controlled. Grows best in part shade and is fully evergreen
- ❁ Neat clump forming perennial grass can be used as a ground cover
- ❁ Spreads but is not aggressive

Height: 18 Inches
