

# Ohio Spiderwort

*Tradescantia ohiensis*

- ❁ The branched stems of Ohio Spiderwort are tinged purple and bear grass-like leaves. Showy clusters of blue to rose, three-petaled flowers top the stems. Flowers tend to open in morning.
- ❁ Tradescantia plants are extremely versatile and will require very little maintenance, growing easily in most soils and situations. Plants are surprisingly rabbit resistant too!
- ❁ Native to Ontario

**Height: 24-46 Inches**

**Zone: 3**
