

Hardy Water Lily

Madame Wilfron Gonnere

Nymphaea 'Madame Wilfron Gonnere'

- ❁ Large, double, light pink cup shaped flowers with dark pink centers. Lily pads are light bronze tint when young, maturing to green. More shade tolerant than other varieties
- ❁ Water lilies prefer calm waters with little to no movement
- ❁ Water lilies produce lovely flowers that float on the surface of the water, while the lily pads provide hiding places for fish

Maximum Depth: 3-4 Feet
