

Clematis 'Barbara Jackman'

Clematis x 'Barbara Jackman'

Masses of large mauve-blue flowers with striking crimson bars to their petals. Prominent central anthers of palest creamy yellow. Blooms right through late spring & early summer.

A light pruning in late winter\early spring will help produce a well balanced plant. Any weak or dead wood should be removed at this time

Clematis are among the most showy of all the vines. The roots like to be kept cool so cover them with mulch or a
