

# Innocence Spiderwort

*Tradescantia andersoniana* 'Innocence'

- ☼ Lush green stems, carrying curving strap-shaped leaves, which form a cradle where they meet the stem. Three petalled, pure white blooms, with yellow centers emerge through the summer.
- ☼ Blooms for an extended period from summer until autumn.
- ☼ Tradescantia plants are extremely versatile and will require very little maintenance, growing easily in most soils and situations. Plants are surprisingly rabbit resistant too!
