

# Eastern Red Columbine

*Aquilegia canadensis*

- ❁ Nodding, red and yellow flower with upward spurred petals alternating with spreading, colored sepals and numerous yellow stamens hanging below the petals. The compound leaves, divided into round-lobed threes, are attractive in their own right. Early blooming perennial will make a stunning addition to your perennial border
- ❁ Easily grown in sun to part shade. Attracts butterflies and hummingbirds to your garden
- ❁ Native to Ontario & Quebec

**Height: 24-36 Inches**

**Zone: 3**
