

Karley Rose Fountain Grass

Pennisetum Orientale 'Karley Rose'

- ❁ An impressive mounding grass with fine textured foliage and distinctive pink flower spikes. Turns oranges and yellows in fall
- ❁ Provides a good vertical accent in borders and is also effective en masse. This clumping grass provides excellent food and shelter for birds
- ❁ Leave foliage in place over winter for interest. Cut back to the ground before new growth appears in spring
- ❁ Warm season grass

Height: 3 Feet

Zone: 5

Karley Rose Fountain Grass is in recycled pots, please disregard any codes written on the pots.
