

# Border Pinks

## Constant Cadence Milk Cherry

*Dianthus 'Constant Cadence Milk Cherry'*

- ☼ Spicy fragrance, compact habit and long season of bloom. This selection forms a low cushion of grassy, grey-blue foliage topped with double flowers that start out milky white before changing to pink followed by cherry red. Truly unique! Attractive to butterflies.
- ☼ Plants should be trimmed lightly after blooming to maintain their tight, compact mound. The flower petals of all types of Dianthus are edible.

**Height: 6-8 Inches**
