

Geum 'Pink Petticoats'

Geum 'Pink Petticoats'

- ❁ Nodding, double, frilly-edged pink flowers with a lemon centre in late spring and summer cover the compact branching habit. Long-blooming, cheerful flowers dance on straight darker stems above the lush green foliage mounds. Attractive wispy silvery seed heads will form if some spent flowers are left.
- ❁ Cut back spent foliage in summer after flowering for flush of new growth. Dead-heading encourages greater flower production.
- ❁ Prefers moist well drained soil
