

Bilberry Ice Spiderwort

Tradescantia Andersoniana 'Bilberry Ice'

- ❁ 'Bilberry Ice' is a new selection, with glacier blue-coloured florets. A succession of bright flowers with unusual, triangular-shaped petals are produced in clusters over a long period from summer to autumn
- ❁ Tradescantia plants are extremely versatile and will require very little maintenance, growing easily in most soils and situations. Plants are surprisingly rabbit resistant too!

Height: 18 Inches
