

All Summer Beauty Hydrangea

Hydrangea Macrophylla 'All Summer Beauty'

Big, bouncy bright blue blooms (in acid soils), shades of pink and purple where the ground is more alkaline, on this compact grower that flowers on both new and old wood. That means blooms all summer long!

Flower color is affected by pH. For blue flowers, the soil must be more acidic and for pink flowers the soil must be more alkaline. Apply aluminum sulfate to the soil to encourage blue flowers

Height: 3-4 Feet

Zone: 5

To help you identify the different varieties of Hydrangea we write a code on the side of the pot. The code for All Summer Beauty Mophead Hydrangea is **SB**.
