

Hardy Water Lily Sioux

Nymphaea 'Sioux'

- ❁ Star shaped 5-6 inch flowers open pale yellow and soon mature through deep orange to copper-red. The lily pads are green splashed with reddish-brown mottling. Very fragrant and free flowering, one of the earliest varieties to bloom
- ❁ Water lilies prefer calm waters with little to no movement
- ❁ Water lilies produce lovely flowers that float on the surface of the water, while the lily pads provide hiding places for fish
