

PJM Elite Star Rhododendron

Rhododendron Lepidote 'PJM Elite Star'

- ❁ A profusion of deep lavender-purple flowers in spring on this evergreen rhododendron. Foliage turns mahogany in winter
- ❁ PJM elite is a vastly improved selection. It is the last one to bloom and the most vigorous and upright growing. Extremely cold hardy and heat tolerant
- ❁ Rhododendrons like acidic well drained soil. Adding peat moss and/or pine needles will ensure that they thrive in your garden
