

Dwarf Hardy Water Lily Aurora

Nymphaea 'Aurora'

- ☼ Stunning dwarf water lily with cup shaped blooms that open yellow, changing to orange followed by red in the course of a few days. The lily pads are mottled green and maroon -brown. Free flowering
- ☼ Water lilies prefer calm waters with little to no movement
- ☼ Water lilies produce lovely flowers that float on the surface of the water, while the lily pads provide hiding places for fish

Maximum Depth: 2 Feet

Zone: 3

To help you identify the different varieties of Water Lily we write a code on the side of the pot. The code for Aurora Water Lily is AU
