

Pitcher Plant 'Maroon'

Sarracenia 'Maroon'

- ❁ Rich, maroon to burgundy tones with a satiny sheen, occasionally accented with faint veining. This intense coloration deepens in full sun
- ❁ A carnivorous plant and staple of bog gardening! Keep constantly moist and use a heavy peat mix or media simulating a bog environment for best success. Regular potting soil and fertilizer are detrimental to the plant.

Height: 8-14 Inches

Zone: 5
