

Black Sea Barrenwort

Epimedium 'Black Sea'

- ☼ Prized for its dark, glossy, near-black evergreen winter foliage whose color change is triggered by cool temperatures. Medium-sized leaflets on 8" stems form a thick groundcover. In spring 14" flower stems rise above the foliage carrying a myriad of delicate yellow flowers with pale orange veins.
- ☼ Great addition for the shade garden
- ☼ Easily grown despite its delicate ap-
