

# Chocolate Vine

*Akebia Quinata*

- ☼ beautiful, fast growing vine that thrives with little care, and it produces a weird looking fruit! The abundant May flowers can be pink or purple and are very fragrant, and the vine occasionally produces a bizarre looking five inch long pink, or blue skinned fruit
- ☼ Can quickly cover sun porches, verandas, pillars, posts, trellises, arbors, fences or walls

**Chocolate Vine is in used pots, please disregard any codes written on the pots.**

**Height: Will Climb 20 Feet**

**Zone: 5**
