

Catmint Junior Walker

Nepata 'Junior Walker'

- ✿ Lavender-blue flowers are densely clustered and bloom from May until September. Finely textured grey-green leaves grow in spreading mounds and are highly aromatic when crushed or bruised.
- ✿ Also known as catnip and is irresistible to our feline friends. Catnip acts as a strong repellent for certain insects, including aphids, mosquitoes and cockroaches. Very easily grown
- ✿ Appreciated by bees and butterflies

Height: 14-16 Inches

Zone: 5
