

# 'Blue Moon' Wisteria

*Wisteria Macrostachya 'Blue Moon'*

- ❁ Large showy lilac-blue flowers are held in foot-long racemes like enormous clusters of grapes. The fragrance is sweet, intense, and very addictive. The first flush of bloom is in early summer, with a brief rest before the second and then third repeats. Imagine all the flowers you will have for vases as well as garden enjoyment!
- ❁ Vigorous, quick-growing, and tirelessly floriferous, this Wisteria is certain to become a classic for the garden.
