

Clematis 'Ernest Markham'

- ❁ One of the strongest growers, Ernest Markham features bright magenta-red 5-6" flowers from July to September
- ❁ Blooms only on the current year's growth. Plants should be cut back in early spring to two strong sets of buds on each stem as close to ground level as possible. This will provide a plant with blooms that start near ground level and continue to the top

Height: 8-12 Feet

Zone: 3
