

Raspberry 'Coho'

Rubus Idaeus 'Coho'

- ❁ 'Coho' is a new floricanne fruiting red raspberry from the USDA breeding program. It has high yields of extra sweet, large bright red, very firm berries that separate easily from the plant.
- ❁ The delicious fruits can be eaten fresh or are excellent for pies and jams, and packed full of vitamins.
- ❁ Named after the salmon renowned for its brilliant red colour
