

Plantain Pussy-Toes

Antennaria plantaginifolia

- ❁ With silvery, wooly leaves, this low-growing, stoloniferous ground cover is beautiful in tough conditions. Individual plants consist of basal rosettes with flowers held aloft on erect stems
- ❁ Perfect as a small groundcover or for between paving stones. Also excellent growing in a rock wall
- ❁ Very drought tolerant
- ❁ Native to North America

Height: 6-12 Inches

Zone: 3

Full Sun

Dry Soil

Drought Tolerant
