

# Black Chokeberry Viking

*Aronia melanocarpa 'Viking'*

- ❁ Fragrant white flowers in early to mid spring followed by edible purplish-black berries that ripen in late summer.
- ❁ Berries are extremely high in nutrients. Shiny green foliage turns orange-red in fall
- ❁ Astringent taste repels deer and rabbits from nibbling on this plant
- ❁ Suckers freely for naturalistic plantings.

**Height: 3-6 Feet**

**Zone: 3**
