

Clematis 'Blue Boy'

- ❁ A good steel blue with slightly nodding 4-5" flowers. The blooming time is June to September. The non clinging stems are most attractive if grown through a small shrub, or attached to a support
- ❁ Blue Boy blooms only on the current year's growth. Plants should be cut back in early spring to two strong sets of buds on each stem as close to ground level as possible. This will provide a plant with blooms that start near ground level and continue to the top

Height: 4-6 Feet

Zone: 4

To help you identify the different varieties of Clematis we write a code on the side of the pot. The code for Blue Boy Clematis is BB
