

Prairie Blues

Little Bluestem

Schizachyrium Scoparium 'Prairie Blues'

- ☼ An improved selection featuring a striking blue summer foliage turns pinkish orange by late summer and than red in the fall. Long thin wispy seed heads add a graceful appearance
- ☼ Adds tall linear lines to your garden and elegant clumps that will sway in the breeze

Height: 3 Feet

Zone: 3

Full Sun

Long Blooming

Low Maintenance

To help you identify the different varieties of Little Bluestem, we write a code on the side of the pots. The code for Prairie Blues is PB
