

Clematis 'Hagley Hybrid'

- ❁ This shell pink variety with ruffled edges bears large 7" blooms in early June and then reblooms in September with 4-6" flowers
- ❁ Blooms only on the current year's growth. Plants should be cut back in early spring to two strong sets of buds on each stem as close to ground level as possible. This will provide a plant with blooms that start near ground level and continue to the top

Height: 6-8 Feet

Zone: 3
