

# Atropurpurea Trumpet Vine

*Campsis radicans Atropurpurea*

- ☼ Clusters of large deep orange buds open cherry red inside, dark green or purple flushed foliage.
- ☼ Trumpet vine is a vigorous vine that provides a spectacular show in the heat of summer. Flowering begins in midsummer and continues in a profuse show through early fall. A favorite of hummingbirds who fight fiercely for a taste of its delectable nectar. In fall, the foliage ends the season in a flash of brilliant golden yellow
