

Turkish Veronica

Veronica liwanensis

- ✿ Sturdy groundcover forms a hard flat mat with waxy, nearly succulent, tear-drop-shaped leaves. Reliably ever-green and takes on purplish tints in hot sun. Cobalt blue flowers cover the leaves from April to June
- ✿ Makes a colourful and drought tolerant groundcover or lawn substitute. Deer and rabbit resistant.
- ✿ Great for mass plantings or rock gardens

Height: 3-6 Inches Zone: 4
