

Glossy Leafed Aster

Symphotrichum puniceum

- ❁ Abundant blooms with light violet blue to purple rays and yellow center disks appear in leafy clusters in autumn. Glossy, lance-shaped leaves clasp the stems. A late blooming aster that still looks fresh at time of first frost
- ❁ A must have plant for attracting butterflies to your garden!
- ❁ Great for planting in wet locations near water and rain gardens or for cut flowers.
- ❁ Native to Ontario

Height: 5-8 Feet

Zone: 2
