

'Buttered Rum' Heucherella

Heucherella x 'Buttered Rum'

- ❁ Coppery caramel, deeply cut maple leaves from Spring into Summer. The cooler fall weather turns the leaves to a lovely rose-red. Sprays of fluffy white flowers appear in late spring until mid summer
- ❁ Foamy Bells are a hybrid between Coral Bells and Foam Flowers combining the best traits of both into one. Foliage should not be trimmed back in the fall, but plants may be tidied up in spring by removing any withered or tired-looking leaves
