

# Magical Amethyst Hydrangea

*Hydrangea Macrophylla 'Hortmabrid'*

Sturdy, mop head blooms on thick, upright stems that emerge fuchsia pink or violet blue depending on the soil acidity. The blooms slowly age to a reddish pink with lime green edges before maturing to lime green that holds its colour until frost.

From the Magical series of Hydrangeas, which have incredibly strong stems so they do not flop and they rebloom!

Height: 24-30 Inches

Zone: 5
