

Clematis 'Huvi'

- ❁ Large 6-8 inch rich velvet red flowers. These stunning flowers bloom continuously and very prolifically from late spring to late summer. Compact grower
- ❁ Plants should be cut back in early spring to two strong sets of buds on each stem as close to ground level as possible. This will provide a plant with blooms that start near ground level and continue to the top
- ❁ The roots like to be kept cool so cover them with mulch or a ground cover
