

# Baby's Breath 'Festival Star'

*Gypsophila 'Danfestar'*

- ❁ Dense sprays of pure white flowers on relatively short stems above the grey-green foliage, that are still long enough for cutting. Compact, tightly mounded habit.
- ❁ Incredibly long blooming selection, flowering from late spring into fall
- ❁ Excellent for cutting or drying, a favourite of florists!

**Height: 12-18 Inches**
