

Pasque Flower 'Prima Papagena'

Pulsatilla Vulgaris 'Prima Papagena'

- ☼ Hairy flower stems emerge from the ground in spring followed by large fringed single to semi-double bell-shaped flowers in a mix of white, bright pink to dark red, and light blue to violet shades. Flowers are followed by equally ornamental, plume-like seed heads.
- ☼ Deeply-divided, hairy, fern-like, green, leaves are attractive throughout the growing season.
