

# Poppy 'American Legion'

*Papaver 'American Legion'*

- ❁ Large, bright red flowers with crepe papery, tissue-like petals, with each flower bearing a clear white cross in its center.
- ❁ Poppies are easy to grow in well drained soil but usually go dormant in the summer and the foliage dies back to the ground. The space then becomes available for other plants to take over for the summer
- ❁ Often see a flush of leaves and occasional flower in the fall when the weather cools down

**Height: 18 - 24 Inches**

**Zone: 3**

**To help you identify the different varieties of Poppy we write a code on the side of the pot. The code for American Legion Poppy is A**
