

Red Sunset Burnet

Sanguisorba 'Red Sunset'

- ✿ Floriferous variety bearing rich red flowers from July to September on tall, branching stems. Fern-like bright green leaves add texture to any garden
- ✿ Further flowers can be encouraged by deadheading spent blooms .
- ✿ Performs best in full sun in a moderately fertile spot that never dries out.

Height: 24-30 Inches

Zone: 4

To help identify the different Burnets we write a code on the side of the pots. Red Sunset Burnet's code is RS
